EVALUATION FORM

Coach
We are doing our best to work with an athlete with the qualities of Erjon, and predict to have a greater progress with the trainings in the meanwhile. In this period we are concentrated to make the point for the qualification to Pyeongchang 2018. We are working a lot on the Giant Slalom and we already guaranteed the points of the qualification. Now our target is to get in the first 500 in the world ranking.

COMMENTS

Athlete

My season ended and I couldn't qualified for olympic games. Due to our objectives I am training right now in athletics and gymnastics to reach olympic level before january

Coach

He tried in march but his improving was not quite good. It was not even good even for the other racers because of the hard races. I am sure he did well and he got a good lesson and experience in these races for the next season
