FOR IMMEDIATE RELEASE

## **The National Olympic Committee of Albania welcome a french volunteer for 6 months.**

**Tirana, October 18, 2011** - The National Olympic Committee of Albania welcomed today a french volunteer coming for a 6 months mission.

Noémie Vincent, the volunteer, is doing a civil service which is a new program launch by the french state in 2010.

The French National Olympic and Sports Committee support this experience by facilitating contact between volunteers and others National Olympic Committees members of the Francophone Association of National Olympic Committees (AFCNO).

As a member of this association, the National Olympic Committee of Albania has many connections with the French National Olympic and Sports Committee.

This program is on his first edition for both of the French and Albanian Olympic Committees.

Seven other volunteers are going to differents countries such as Cameroun, Burundi, Haiti, Republic of Macedonia, Rwanda and Togo.

### **A volunteer well integrated and supervised**

In deed, the volunteer is supervised by the General Secretary of the National Olympic Committee of Albania, Mr. Stavri Bello and by a tutor in the French National Olympic and Sports Committee.

To Noémie Vincent *«It is a really great opportunity to learn from professionals and to see another way of working in a different country»*.

She will be working on the education program launch in differents schools of Tirane area and help to promote olympic values to pupils.
